### Swiss Champ XAVT

Medium Pocket Knives / 91 mm Original Swiss Army Knives, large models

Available: as of February 27th 2017

## SIZE IS EVERYTHING!

With the launch of the Swiss Champ XAVT, Victorinox fulfilled the wish of many a collector, lovers and friends of the Swiss Army Knife. The Swiss Champ XAVT consists of 118 parts, counts 83 functions, weighs 350 grams and is 65 mm wide. This makes it incomparable and coveted exhibition piece. Its versatility knows no limits, because it combines the

functionality of 100 different Swiss "officers' knives". However, something is new: We have replaced the second magnifying glass with a practical wrench. The most extraordinary thing though, is how an XAVT is created: Each Swiss Champ XAVT is manufactured in more than 500 careful work steps and then assembled by hand.
